

Miss Tammy

My name is Tammy Tyler and I began working for The City of Torrance as a Senior Rec. Leader in 1997. I took a part time position at Greenwood as the lead teacher in Kinder-Class in 2001. My love for education began at an early age and I enjoy it more and more every day! In 2016 I moved into the CSL IV position, overseeing the Early Childhood program. Now I get the opportunity to be involved in all of the classrooms and I enjoy getting to know each and every child in our program. In my spare time I enjoy spending time with my husband, my 2 daughters, my son-in-law and my dog Zac. I also enjoying running and going to the gym.
